

RWE is bringing you innogy

RWE Gas Slovensko to be renamed to innogy Slovensko

innogy is the name of a subsidiary company of RWE AG in which the Group merged its three business segments Grid & Infrastructure, Retail and Renewables. The subsidiary of RWE AG started operations on 1 April 2016. **The new brand will be reflected in the names of selected companies, RWE Gas Slovensko belongs to them as well.**

The name innogy is made up of the English words Innovation and Energy/Technology.

The change of name represents a shift from conventional to innovative, flexible and creative.

The official change of the business name of RWE Gas Slovensko, s.r.o. to innogy Slovensko s.r.o. will take place on 1 October 2016. **“We are happy that we are part of innogy. The brand represents exactly what we have been doing for our customers here in Slovakia for several years - new products thanks to which their households save more, become safer and more comfortable,”** highlights Miroslav Kulla, managing director.

innogy will represent a modern and a traditional supplier at the same time:

- ✓ The innogy brand will become a symbol for innovative offers and shaping of trends of the energy market.
- ✓ There will always be a strong background of the mother company VSE Holding as well as its shareholder – the Ministry of Economy of the SR - behind innogy Slovensko.

“With the innogy brand, we will continue with the already started trend of innovations and modern customer solutions. Our customers can look forward to new products and services of even better quality. Of course, we still guarantee the reliable supply of Blue Gas and we remind that all current contracts remain valid,” Miroslav Kulla, a managing director.

The strong RWE brand that reflects a long and proud tradition of the energy industry will remain to be used by the mother company RWE AG in Germany.
